

A Guide of beautiful Minoh

Minoh Walking Map

Full of beautiful nature, you won't believe that central Osaka is only 30 minutes away. Listen to the sound of the river and walk beneath the relaxing maple trees and cedars, for it will leave you with a smile.

1 箕面大滝 (Minoh Waterfall)

One of the main attractions in Minoh is a famous 33-meter waterfall that has been selected as one of Japan's top 100 Waterfalls. It has breathtaking views and sounds that will make you forget time. It is so full of spiritual power that even ODA Nobunaga and MATSUO Bashou came here. It is popular in the summer time as it is much cooler and also as it is lit up during the night.

about 40-minute walk from station

Minoh Waterfall
Horse's Drinking Fountain

2 唐人戻り岩 (Toujin Modoriwa)

There is an old story about a person from Tou who came to see the Minoh Waterfall, but turned back when he saw this huge boulder. Evil spirits will be gone if you touch this rock!

There used to be a plunge pool at Tsuriganefuchi.

Old guide signs can be seen!

Nakasenbon is popular for sightseeing maple trees!

Shige no Koba

Statue of NOGUCHI Hideyo

Komorebi no Yado Meitokuan

By walking through giant rock "Himeiwa" it is said that you will be blessed with kids.

Found it! I didn't know there was history behind it.

Good things will happen if you make Yuzuru Manhole your wallpaper!

For fruitful relationships!

勝尾寺 (Katsuo-ji Temple)

This temple has long been known as a "temple of winning luck", and attracts worshippers from all around the world who seek "winning luck" in all aspects of life. Visitors are amazed by the countless Daruma-Mikui (Daruma Fortune Slips) placed across the grounds, and jam-packed displays of Kachi-Daruma (Winning Daruma) offerings. With approximately 80,000 square meters of land, it is also famous for its beautiful cherry blossoms, hydrangeas, and maple trees.

Giving food to monkeys are prohibited

No-Smoking in Public

Ichi no Hashi pillars are scattered inside Takimichi

Located at the entrance of Minoh Park, Ichi no Hashi was rebuilt many times after floods washed it away. Three out of four old pillars are set up inside Takimichi! Try to find all three!

聖天宮 西江寺 (Shoutengu Saikouji Temple)

Built by "En no gyouja", it is the first Japanese temple at which Daishokankiten arrived. "Daikokutenn", god of wealth, is worshiped there, so many people come to pray. Springtime to autumn season is beautiful, with cherry blossoms and different types of maples. It is also famous for "Mushi Kuyou", "Tengu Matsuri" and "Kesoufumi", which is a good luck charm for relationships.

Where are the monkeys?

The monkeys in Minoh are wild animals designated as a special treasure, so no one is caring for them. They are free in the mountains, so they cannot be seen everyday.

Feeding the wild monkeys is illegal by the Minoh City Laws

- Don't feed!
- Don't show food!
- Don't get close!

Please respect and cooperate with rules.
